The Chinaman a ended 30th September, 1888, which have just strated with grief and instructs the Emperor to been published, there is an interesting note by Tr. A. Lawresow of Shanghai, on this Residue to the Six left, got possession and after a neat dribble man-

Board in their discussion. Having examined Father of the Emperor:

the authorities on the question of the existence of typhus fever in China, Dr JAMIESON SAYS :- "Whatever its correct designation may be, it is certain that Chinese attacked by a disease characterised by Tokio Maru. typhus odour." He then coumerates the symptoms -- which include "livid eruption on the skin (sometimes absent) -and says that "From every part of China for the last fifteen or twenty years accounts have been received of the occasional prevalence of a fever associated with misery, overcrowding, filth, and insanitary conditions in general." The later Dr. Wone's description of a "spotted fever" observed in Canton, is quoted. Dr. Word says :-- "These are mostly severe remittants "taking the continued or typhus form. . . . I would seem as if some of the cases are real "typhus. A native physician of long practice "here told me that in some cases there is "crisis on the seventh day, after which the pa-"tient may get well without medicine." From Amoy, also, Dr. Manson has reported cases "in some respects resembling mild typhus 23 but wanting many of the features of the discase, certainly not typhoid and certainly not malarial." Dr. James n gives parti-

says:-"It is obvious, therefore, that all "along the extensive coast line of China "where foreign settlements are dotted, a fever We invite attention to the following old landed | " occasionally prevails epidemically among " the natives which in its main characteris The same being specially celected by our "tice is indistinguishable from typhus; that which is meant chiefly the building of jinrick chas) London House, and bought direct from the most "most of the conditions necessary to an appears to be improving of late and valuable ex-"outbreak are constantly present among th "natives; that it is contagious, but not vio-In ordering it is only necessary to state "lently so; that it is identical with or close-"ly simulated by neglected malarial fever of difficulty connected with finding the best market hogsheads. The new wines show ripeness, of the late Professor Hearson, of Tientsin. Of him. Among the curies I have brought home "adynamic type; and that foreigners who do "not actually look for it in its haunts are "tolerably certain to escape it." This being Case. Per Bot. the same disease that has hitherto been en tered in the Registrar General's returns as offered for sale large stocks of farniture of bouquet are good, and they have an average are being arranged in classes according to of the Pall Mill has been for me." typhus fever it would appear that the name was not so far wrong after all, and that would be a mistake to put it under the breakfast room, and shown off to the least adgeneral head of fever without any additional would seem, able to distinguish it from other and manufacturer find cheaper labour or more Old brandies command high figures, and this in general. Of the instructors, aside from the fevers, and as it is a disease due to insani tary surroundings it is important that the Our remarks have been suggested by a very replanted. Sanitary Board should know what cases it occur in the Colony. If it is not true

Champagne.—The vintage of 1890 is not the branches peculiar to their departments, Western frontier, and France is crowding it nearly so good as that of 1889; this year the to take a thorough course in Chinese, and upon the East, while the irrepressible Germans H. & A. whare w. policy is all friendship for Siam, at present. While Prince Devawongse, the ablest statesman Hetels that the Far East has ever produced, beside years of practical experience before attaining whom the late Marquis Tacing, for instance, was a child, and Li Hung Chang is an ignoramus, vintage will rank among the best since the looking young fellows, and their dark blue uni- is facing all these international problems, the King's other Ministers are doing their best for the internal development of their country—its unremitting services of this gentleman as man- phylicians, whose ravages seem only to be them and they enter with great zest into the defence, its education, its finance, its communicachecked by the liberal use of sulphurate of discharge of every duty. Many of them have tions smid difficulties many and great of which nothing is known in Europe. I could fell you for an hour about school books and railways and soldiers and banking there. And in all of these terest. He has just concluded a long tour round We are having most delightful winter weather all his dominions and our own in the Malay of "must" varies considerably in the different now; frosty nights and bright days. Since writ- Peninsula, and I have the testimony of several officials who received him that no visitor used his eve or his ear to better effect. Siam is follow ing at an interval, or course, but still she i following, in the footsteps of Japan. But she has just reached the parting of the ways. On one hand lies an independent, progressive, free and prosperous Siam; on the other, either absorption nto one of her powerful neighbours, like Burms, or a more ignominious partition among them all. The latter was once proposed to us by France. Naturally, we would have none of it. British policy is for the strong and free Siam. All depends upon Siam herself, the next fow years must decide, and very little will swan the decision. But I am getting dull. Better say that Bangkok is the most picturesque city in the Far East, that the palace is the finest foreign building between Sin Francisco and Calcutta, and that of all the Eastern potentates Some of the shareholders in the spinning mills I have met, the King of Stam is the only one

rho is unmistakably a king: THROUGH THE MALAY PENINGULA. "And since Siam, you have been in the Malay Paningula?"—"Both before and since Siam have been among the Malays. First, I visited the States of Johore, Tringana, Pahang Perak and Kedah, then on my return I undertook a bigger journey. Accompanied by Mr. William Warren, the well known mining engineer, and for the first part of the journey" by one of the Perak officials, by permission of H. E. Sir Ceci. Smith, I went from Singapore via Penang through Perak, across the territory in dispute between Siam and Perak, through the great State of Rhaman, through the State of Lege, to Temoh, where I spent over a month, through the State of Kelentan, which is supposed to be tightly closed against white men, to the Kelantan River and down that for a week on rafts. which we built ourselves, to the sea on the opposite coast. There I hired a native boat in which we spent tour days and nights, being ones attacked by pirates and once escaping from foundering in a storm by the marrowest squeak-a night which neither Mr. Warren nor I will forget as long as we live-and On Christmas morning, between the hours of reached Tringann, where a little coasting two and three, a fire commenced at Umamichi steamer carried us down to Singapore again. Ichome, Asakusa, Tokyo, and destroyed 207 The journey lasted three months and a half, and houses before it was got under control. Nine our train consisted of eixteen elephants and fiftyone nutives. Only one white man has ever been down the Kelantan River before, and I am the first who has visited the country lying between Lege and the Kelantan River. I can assure you it is great fun to be the owner of the first white face that has ever been seen in such a place. had experience of it also once in the interior of Kores. And I finished Kelantan by a long nterview with the redoubtable Sultan himself. · Why do you force yourself into my country? he asked. 'Why do you wish to keep me out?

MALAY PHILOSOFRY. "And is the Malay the treacherons, blood thirsty preature that his name suggests to us here?"-"I like the Malay. > > "If you pleake," replied Winifred, speaking softly through her half-closed lips. "Then you stall have it. Nature meant you for a great animal painter. We have had none since Landseer, but it looks as though his mantle has fallen upon jou. Boss Bonheur's early work THE PEAK BUILDING. Co., LIMITED contains nothing finer than that Lancer of yours. As for your other drawings your landscape is weak -very weak-could scarcely be weaker for one showing so much capability in other direc-

tions, but that ve can improve." It seemed to Vinifred as if that antique room in Glan-Orlock Castle was some enchanted chamber to which she had been conveyed whilst in a dream state and that presently she would wake up and find herself in her ward at St. Jude's hospital waiting on her patients. She born artist, a fival of Rosa Bonhour on her own field!-a pissibl successor of Landsoer himself! She could not believe it: and yet this was gravely affirmed by a man who was himself an associate of the Royal Academy, whilst his mother, a woman of intelligence and sense, stood by, smiling approbation of her sen's praise. It was too much for her. She could only look first

from one and then to the other, and then the tears rushed to ler eyes. "Oh, Lady l'alconridge," was all that she could murmur, and the next moment, obeying an instinctive movement, she lay sobbing in Lady Falconvilge patted her face as she held it to her ample besom, just as one might soothe a little child, but made no other effort to check this outburst, whilst Claude looked on, with almost bovine stunicity, wondering in what way Winifred's feelings had been wounded,

"It is very stapid of me to make such an exbition," said Vinifred after a pause, drying her eyes and smiling through her tears. "You could not help it," remarked Lady Falconridge soothingly. "I can quite understand what you feel. We women sometimes cry for "And now may I know the history of the picture I" asked Clande a little later, when they were all seated by the fire, and the portfolio

subject from P" I saw the Lamer pass one day when I was ooking out of the window at St. Jude's. He was quickly followed by a troup, and the dancing and jiugling of their accoutrements as they rode swiftly past seemet to set my heart dancing." "Like Wordsworth's heart 'danced with the daffodils." ?" said Chinde.

"I suppose so.: But it was the first man who somehow impressed himself on my mind." "And then?" persisted Claude. "When I was next off duty, I began it. took me some time to finish it." "After a modentary glance at your subject,"

said Claude. "Wonderful, wonderful! That's what I call it. Simply wonderful!"

vehemence. "Utterly detestable," he went ou. "Cannot you understand, mother, that Miss West wants to be trodden upon? Praise is sickly on her

palate, like lollipops, so I am doing the treading upon her that her soul longs for." Both the lades laughed at the naiveté of Claude's confession. "No, speaking seriously, guest adjourned to the room that served the Miss West," he said. "Your landscape is really very bad. There can be no second opinion about that, and animals don't look their best in a paved court-yari. Our Highland cattle for example. I have no doubt that you could draw them with power and feeling, but without the whose cornices and shafts were richly carved with rack above what will your animals look like? heather below, and the soft aky, or the storm-You are born to be an animal painter, but you

want severe practice in landscape." And so the tilk went on, from one point to another. Claude inforcing his opinion that the greatest landscape painters that Great Britain had produced we'e of the Scottish school of ar-The conversation lasted until Lady Falconridge rose to retre, taking Winifred with her. "One question before you go," said Claude.
